

Little Explorers STEM Summer Camp at the Edison YMCA

WEEK 1: BUGGY BONANZA

Insects, magnifying glasses & creepy crawly STEM fun! Learn how insects help our world & work hard.
6/29-7/3

WEEK 2: MOVE & GROOVE

Movement, yoga & fitness STEM fun! Learn how our bodies stay healthy—mind, body & spirit!

7/6-10

WEEK 3: LOCAL LEGENDS

Bring hands-on learning to life, inspired by the innovative spirit of Edison and local legend Thomas Edison.
7/13-17

WEEK 4: CELEBRATION WEEK

Celebrate a different holiday each day while exploring the STEM behind traditions, experiments, and cultural discoveries that connect us all!
7/20-24

WEEK 5: KINDNESS COUNTS

STEM friendship challenges & projects! Learn to be kind and help our community.
7/27-31

WEEK 6: FAIRYTALES & FANTASY STORYBOOK WEEK

Build castles, tame dragons & design knights—bring storybooks to life with STEM!

8/3-7

WEEK 7: MUSIC MAKERS

Instruments, rhythm games & STEM sound experiments! Take the stage and create your own show.
8/10-14

WEEK 8: BEST OF SUMMER

Celebrate summer with STEM Campers' Choice activities—experiment, create, and have fun in the sun!
8/17-21
